

## Nova Scotia Equity Tax Credit

Complete this form to calculate your Nova Scotia equity tax credit. This credit can be used to reduce your Nova Scotia tax payable.

You can claim this credit for investments in eligible shares you acquired in 2018 (that you did not claim on your 2017 return) or in the first 60 days of 2019.

You can carry forward unused credits for seven years or carry them back three years. For 2010 and subsequent tax years, the maximum credit you can claim is \$17,500 per tax year including any unused amounts from other years.

Attach a copy of your NSETC-1 receipt(s) to this form and include it with your return.
