

Manitoba Book Publishing Tax Credit (2018 and later tax years)

Schedule 389

Code 1801

Protected B when completed

Corporation's name	Business number	Tax year-end Year Month Day
--------------------	-----------------	--

- Use this schedule to claim the Manitoba book publishing tax credit under section 10.4 of the Manitoba Income Tax Act. You must apply no later than 18 months after the end of the tax year for which you are claiming the credit.
- You are eligible to claim this tax credit if you are a book publisher with a permanent establishment in Manitoba, you paid at least 25% of the wages and salaries to Manitoba residents, and you answered **yes** to all the questions in Part 1 of this schedule.
- The Manitoba book publishing tax credit is a refundable credit that is equal to 40% of eligible book publishing labour costs and non-refundable monetary advances made to authors, to a maximum of \$100,000. An additional 15% credit is available for eligible printing costs incurred and paid after April 12, 2011.
- Book publishing labour costs** include reasonable salaries and wages paid in the tax year and before 2020 to employees resident in Manitoba on December 31 of that tax year, and 65% of contracted Manitoba labour costs paid in the tax year and before 2020. These costs are related to publishing hardcover, paperback or electronic books, but not to the marketing or promotion of books.
- Eligible printing costs** are the costs paid in the tax year for printing, assembling and binding eligible books that are printed on at least 30% post-consumer recycled paper and published in the tax year or in the immediately following year. The costs must be incurred before 2021, and they must be reasonable in the circumstances.
- An **eligible book** is a first edition, non-periodical publication that meets **all** the criteria outlined in subsection 10.4(3) of the Manitoba Income Tax Act.
- Include a completed copy of this schedule with your T2 Corporation Income Tax Return.
